MR. PETERSON:

Attached is a self-explanatory letter to me from the office of Earle Clements, a consultant to the Company.

Rose Cervone has confirmed from our files the accuracy of the amounts set forth in the letter from Senator Clements' secretary -- and I am hopeful that your records will likewise confirm those amounts.

Will you please make arrangements for the prompt issuance and transmittal to Senator Clements of the appropriate IRS Forms 1099, and furnish me with a copy of your letter of transmittal.
