September Richmond Meeting

Conversation with Tom Goddale revealed that the following format has been requested by Mr. McDowell for the upcoming Richmond Meeting. The Tuesday, September 18, meeting will run from 9:30 a.m. to 7:30 p.m. and involve discussions of new products only. Mr. McDowell has requested that the presentations be made by Messrs. Daylor and Meyer. The following topics will be included:

Trinity	5 mg
3 mg	Virginia Slims Lights
Sword	Reduction of Tar of Existing Brands
Macho	Reduced CO

A new wrinkle has been added. A Wednesday meeting will be held at R&D from 9-11 a.m. The topics to be discussed are as follows:

- Nitrogen Oxides in Cigarette Smoke
- Attrition in RL Extraction Section
- Heat Treatment of RL
- NWA
- Celanese Triacetin
- Filling Power (assuming Dr. Farona has something to say)

In Mr. Goddale's absence, Mr. McDowell will likely issue the schedule on Monday, September 10. If you have any comments or questions, please let me know.
