Dear Professor Powers:

I have gotten Dr. Tom Schori to agree to present a paper at the November ASTM meeting that should fill your needs. Dr. Schori is a psychologist within our Behavior Research Group at Philip Morris R&D. He is highly knowledgeable of statistical methodology and has extensive case material to draw upon.

He is preparing an abstract which should be ready in a matter of several days. He will submit it directly to you.

I hope I will be able to attend the meeting because it should be an instructive set of papers.

Sincerely,

William L. Dunn, Jr.
Principal Scientist
