Mr. A. Holtzman ) F.Y.I. ONLY.

February 16, 1983

Dear Phyllis:

Delighted to hear from you. I am glad that you and the Miller people have established a relationship.

Thanks too, for the reminder of an important part of our history.

I have taken the liberty of routing your letter to some of our people who will also find it of interest.

Best regards.

Cordially,

James C. Bowling
