Dear Dr. Milvy:

Thank you for your letter of April 14, 1976. Please be advised that we had received a similar request from Mrs. Ellen A. Marks of The New York Academy of Sciences dated January 19, 1976. At that time I indicated that this was rather remote from our own programs and interest and my reply to her at that time still stands. A copy of my letter to her is enclosed.

Sincerely,

T. S. Osdene, Ph.D.
