File Sweden

Dear Tony:

Enclosed is a memorandum summarizing my meeting yesterday with Peder Hammarskiöld and Anders Hedman. Also enclosed are two memoranda they gave me at the meeting. One sets forth their research on the "preemptive" effect of the current cigarette warning legislation in Sweden. The other summarizes their preliminary thinking on a possible scholarly article concerning assumption of risk and contributory negligence under the product liability act.

I hope you are recovering satisfactorily. I look forward to seeing you in London tomorrow if your condition improves.

Best regards

Sincerely,

Dick
