MEMORANDUM TO MR. SOLARRAS

Re. SAMHSA REGULATION CONFERENCE

In response to your request for additional information regarding the February 29-March 1 conference on proposed changes to the SAMHSA Substance Abuse Prevention and Treatment Block Grants Application Format, I called the SAMHSA office and spoke with a colleague of the co-chairs of the meeting. The staffperson informed me that the meeting is intended to include representatives of all fifty states. She said that she did not know of any future meetings scheduled on this subject.

If you need further assistance on this matter, please don't hesitate to call.
