

"Commentary" Lines

3 ✓ Bring home the bacon, fry it up in a pan. Right.

How can we be truly liberated when control top pantyhose still exist?

A woman should always remember to say please and thank you when taking over the world.

The great thing about men is that they like to leave town and go fishing.

I like it when men open doors for me. It's a great chance to check out their biceps.

1 ✓ I thought about becoming a superwoman once. Fortunately the idea didn't fly.

I like men, I just wish they came with a warranty.

Leading the way to temptation is almost as much fun as getting there.

I've got everything it takes to become the perfect woman - including enough brains not to try it.

If men are so capable, why can't they match their own socks?

The great thing about being a woman today is breaking the rules they gave you yesterday.

The great thing about being a woman today is breaking the rules they gave you yesterday.

2 ✓ I know I can have it all, but can I have it delivered?

4 ✓ The reason women keep trying to be perfect is that we're so close to achieving it.
