SUBJECT: Thank you for your letter and FAX transmission dated 2 Feb 98. After checking schedules of our investigators, the best day to meet with you and your group is Monday, 6 Apr 98. Alternate dates are Saturday, 4 Apr 98, Sunday, 5 Apr 98, or Tuesday, 7 Apr 98. The meeting will take place at HARC in The Woodlands, TX where our laser photoacoustic detection system is located. I recommend flying into Houston Intercontinental Airport the night before the meeting and then checking into The Woodlands Inn [telephone: (409) 283-3741]. We could start our meeting at 9:00 AM after breakfast.

Please tell me whether this schedule matches your availability. Thanks.
