Re: Stichting Sigaretten Industrie v. Stichting
Volksgezondheid en Roken

Dear Charles:

In response to your letter of August 22, 1989 and pursuant to our telephone conversation on September 8, 1989, I have enclosed the following materials:

1. The Tobacco Institute's reply to the 1986 Surgeon General's Report.
2. Other criticisms of the 1986 Surgeon General's Report.
3. INFOTAB's annual review of the Environmental Tobacco Smoke literature, as of October, 1988. The updated 1989 version will be available shortly and I will provide you with a copy when it is published.
4. A memorandum prepared in our office with respect to the claims made by defendants concerning what happened in the Cipollone case. As indicated in the memorandum, defendant's assertions contain many errors which you could point out in a further brief or at an oral hearing.

In addition, I have enclosed some additional materials from INFOTAB which may be helpful with respect to your earlier request for materials in connection with the EC proposal to restrict the use of trademarks, etc.
