OFFICE OF THE DIRECTOR

FIFTH WORKSHOP CONFERENCE

NOVEMBER 1 - 2, 1979

The Fifth Tobacco and Health Research Institute Workshop Conference will be held at the Seay Auditorium, University of Kentucky, Lexington, Kentucky, November 1 - 2, 1979.

The program for this year's conference (a copy of the tentative program is attached) will feature some research investigators working in the areas of plant genetics; pest control, residue and chemical interactions; effect of smoke on the pulmonary and cardiovascular systems; and the biological activity of cigarette smoke condensate and its fractions. The guest speaker will be Dr. Gio Gori, Deputy Director, Division of Cancer, Cause and Prevention, National Cancer Institute.

Please return the enclosed card to Dr. Janice Humble. We are looking forward to your attendance at what promises to be a significant meeting.
