GRANT APPLICATION NO. 1223R1

PHARMACOLOGY

TO: The committee comprising Drs. Bing, Meier and Sommers

SUBJECT: Kjell Fuxe, Karolinska Institute and Hormone Lab. Karolinska Hospital,  
Sweden  
First Renewal Application No. 1223R1  
"Nicotine, Catecholamines and Neuroendocrine Functions"

HISTORY

In October 1978 the SAB approved application No. 1223 at a level of \$51,000 (as requested) for the first year of a three year project: Budget estimates for the second and third years were \$54,000 and \$57,000, respectively.

REQUEST

Application No. 1223R1 requests \$56,000 for the second year of the project.

DOCUMENTS SUBMITTED (attached):

1. Application dated 6/20/79 (13 pages)
2. Progress Report No. 1 covering period January 1979-June 1979 (14 pages including Face-Sheet)
3. Manuscripts (2 in number submitted for publication--both acknowledge CTR)

COMMENT

As progress appears to be satisfactory, this application will be handled administratively and withheld from the bulky SAB agenda for the October 1979 meeting, unless you object.
