

Inter-office Memorandum

Subject: G-13 Cigarettes for N.C.I.
Your memo dated Dec. 7, 1971

Date: December 9, 1971

To: Mr. Manfred Haxton

From: Murray Senkus

Question 1 -

Tests at Industrial Bio-Test have been in progress for about 16 months. Test and control tobacco are the same as of today.

Tests will be completed by April 1972.

We do not foresee a difference at completion of test.

Question 2 -

The NCI testing will be the same as the Industrial Bio-Test protocol.

We expect to ship the cigarettes on December 20. Therefore, if the Agreement is not to be executed for any reason, please put a hold on the shipment by calling Mr. Robert H. Cundiff.
