INTER-OFFICE CORRESPONDENCE

DATE: 10.10.1979  
TO: Dr. Frank G. Colby  
FROM: Wilfried Dembach  
SUBJECT: RJR - Medical Research Projects Germany

Dear Frank,

Reference is made to your memos dated September 4th and 13th.

Attached please find another copy of my letter February 12th 1979 with attachment.

This letter gives you a list of payments from day one to end of 1978.

Furthermore I am attaching a list of all the payments made in 1979 until now.

As you will see, we still have \$24.381,65 in our medical research budget.

The following payments will have to be made this year:

Blohmke	\$25.000,--
Lock	\$25.000,--
Stäcker	\$ 6.000,--
Neubert	\$30.000,--
Henschler	\$22.000,--
Rüdiger	\$35.000,--
Jacob	\$28.500,--
Baltrusch	\$ 6.000,--

TOTAL:

\$177.500,--

Dr. Frank G. Colby

Taking into account the amount of \$24.381,65  
we will need \$153.118,35

The differences compared to your memo of September 13th mainly arise from a different exchange rate. I am using an exchange rate of 1.75 (average October rate).

With regard to Schlipkötter I do not have formal approval from your side in my files. That is why a formal research contract hasn't been made yet.

Please let me know what the exact title of the project is which has been approved by Winston Salem.

This week I had a short telephone conversation with Dr. Rüdiger and I was able to tell him that we have approved his research project. He will get a written confirmation later this week.

If you have any questions on the above, please let me know.

With best regards  
Yours

*W. Dembach*
