MEMORANDUM

TO: MEMBERS OF THE BOARD
CENTER FOR INDOOR AIR RESEARCH

FROM: WILLIAM KLOEPFER, JR.

I am enclosing for your information our second interim report on the availability of sites in Washington for PASS surveys. As before, those locations where cooperation is indicated are now available for on-site inspection as to adequacy.

I am also enclosing a brief description of a voluminous file of documents which we have received today as a result of a FOI request. These are available at our office for your scrutiny.
