Dear Hernan:

We have decided that the time isn't right for a media tour on the youth program, so we won't be making demands on your time for that.

We may revisit this idea in the fall, in which case I'll ask you again if you have time to participate.

We are thinking about a new group of ads, so when we have some rough ideas I'll send them for your thoughts.

Sincerely,

Herbert E. Osmon
