RE: Cigarette Promotions

Dear Mr. Skinner,

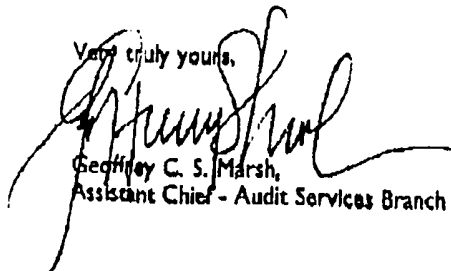

I am writing to you as a result of your recent telephone call to Harvey Brooks, Chief - Audit Services Branch.

As a result of global changes in the markets which set and control cigarette prices a manufacturer's promotion may inadvertently bring about a violation of the statutory and regulatory language of the State of New Jersey established by or pursuant to c. 247 of the laws of 1952, The Unfair Cigarette Sales Act. Pursuant to that act the Director of the Division of Taxation has determined that he is authorized to establish and publish "a minimum sales price below which, in the absence of proof of a lesser or higher cost of doing business, cigarettes may not be sold at both wholesale and retail." [N.J.A.C. 18.6-3.1(a)], and that "Any...thing of value given gratis or any payment made to a retailer or wholesaler by any manufacturer of cigarettes for display, advertising, promotional purposes or otherwise, is not to be used in determining the cost of cigarettes to the retailer..." [N.J.A.C. 18.6-7.6] and finally that "The total sale price displayed on any sign advertising cigarettes at wholesale or retail is never to be lower than the minimum price fixed by the New Jersey Unfair Cigarette Sales Act..." [N.J.A.C. 18.6-7.11 (c)].

As a consequence of the above regulatory understandings it is clear that no retailer in the State of New Jersey may sell or advertise for sale cigarettes at a price below the minimum retail sale price established by the Division of Taxation.

If you have any questions regarding this matter, please call me at 1-908-633-2576.

Very truly yours,

Geoffrey C. S. Marsh,
Assistant Chief - Audit Services Branch
