

THE COUNCIL FOR TOBACCO RESEARCH-U.S.A., INC.

110 EAST 59TH STREET  
NEW YORK, N. Y. 10022

W. THOMAS HOYT  
PRESIDENT

December 22, 1983

TO: The Directors of The Council for Tobacco Research-U.S.A., Inc.

At the Meeting of The Council on December 9th, requests were made for a copy of Dr. Jacobson's remarks. You will, therefore, find attached his comments at the meeting which he has supplemented with biographical sketches of Drs. Bowden, Gardner, Lynch and Sommers.

Since Dr. Jacobson was reluctant to prepare anything about himself, I have attempted to do so and have attached it to this letter.

It is very difficult to do justice to the many talents of these men in such a brief form, nevertheless, looking at them as individuals and as a group one cannot help but be impressed.

Sincerely,

*W. T. Hoyt*
