Mr. Richard Mecaskey
Wilding, Inc.
2307 Chester Avenue
Cleveland, Ohio 44114

Dear Mr. Mecaskey:

Thank you for your follow-up letter concerning Wilding. As I mentioned, there is very little your organization can do for us in the area of communications.

I did want to have the information regarding the "networks," not that there is any potential use for Brown and Williamson at the present time but as a possibility for the future.

Sincerely,

C. I. McCarty
