November

August 7, 1987

Dr. Li L. Yang
Director of Marketing
Microbiological Associates, Inc.
9900 Blackwell Road
Rockville, MD 20850

Dear Dr. Yang:

We are soliciting bids for the protocols listed below and invite you to submit a price quote for the fiscal year January 1, 1988 through December 31, 1988.

- Unscheduled DNA Synthesis Using Rat
Primary Hepatocytes (2-3 compounds per month)
- CHO Cells Chromosome Aberration (6-12 compounds
per year)

We look forward to hearing from you at your earliest convenience.

Sincerely,

Dan Heck
