

December 13, 1955

William O. Russell, M.D.
Pathologist-in-Chief
The University of Texas
Texas Medical Center
Houston 25, Texas

Dear Dr. Russell:

Thank you for your letter of December 6 concerning the National Committee on Careers in Medical Technology. We will circulate the copies of this to members of the Scientific Advisory Board and place the matter on our agenda for discussion at their January meeting.

If you can spare one more copy of the report, we will have one for use in this office.

Very sincerely yours,

Robert C. Hockett
Associate Scientific Director
